

MGL International Group sponsored the 2021 Gaomei Wetland Sea Breeze Run

With the aim of improving the lives and well-being of the communities, MGL sponsored for the second time a popular race organized by EventPal. More than two thousand runners joined the Gaomei Wetland Sea Breeze Run (Half Marathon, 12K, 6K) on 28th November in Taichung, Taiwan.

The beautiful wetland, the cool sea breeze and the anti-epidemic measures made this event a success. The strict policy measures implemented against the impact of the coronavirus provided participants peace of mind when entering the event.

Due to the epidemic situation, MGL provided Non-Contact Infrared Thermometers, to the organizers and runners to monitor their body temperature before the competition.
