

KPS & C-LOGIC launch new websites

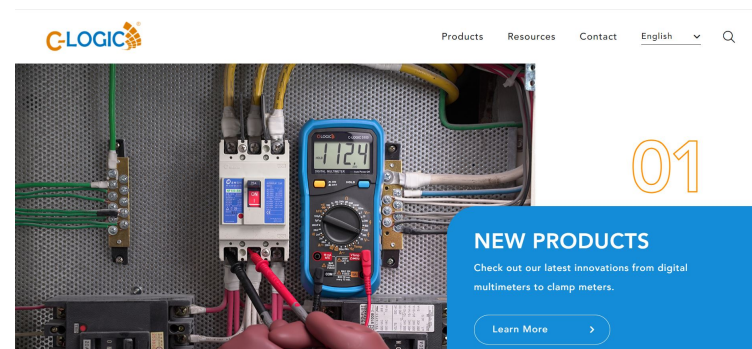

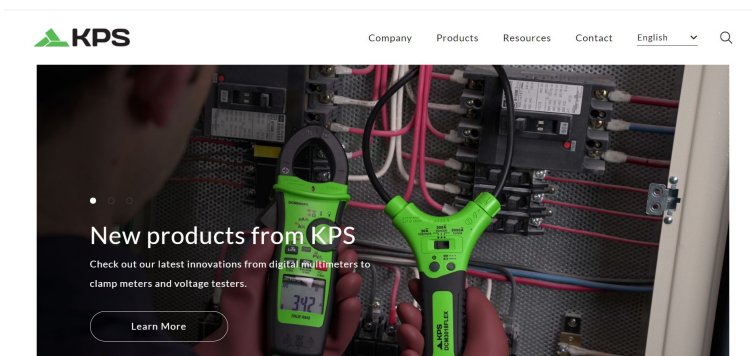

KPS and C-LOGIC, part of the MGL International Group, introduce their new websites to provide even more relevant information to help customers learn about measuring instruments, and energy saving products.

The websites are presented in a user-friendly, easy-to-navigate manner, whether on a desktop computer or mobile device.

Some features of the websites are:

- Multi-lingual website in English, Spanish, German and French
- Multi-regional site for our visitors from America and Europe
- Detailed product pages with relevant information, specifications and product resources.

We will continue to improve and expand our services with richer content. Come and enjoy our new websites by clicking on the images below.

About MGL International Group

We are a global group of companies operating locally. We manufacture test and measurement products for the electrical and automotive industry, from entry-level through high-tech products.

We have different business units that operate independently, maximizing customer and business dedication. On the one hand, OBM products under our own brands, such as Mastech, KPS, Power Probe and C-Logic. On the other hand, we also offer engineering / manufacturing (ODM) and adaptation/ customization (OEM) services.
