

Power Probe at Automechanika Frankfurt 2022

Aug 23, 2022 – Power Probe, a brand of the MGL International Group, will be at 2022 Automechanika Frankfurt in Hall 8, Stand J11.

“Clearly, Automechanika is the industry's leading trade fair. We warmly welcome our business partners and customers to our stand in Hall 8, where we will be presenting our new products from the field of electrical tools for automotive technicians,” explains Mr. IP, MGL International Group Chairman.

“At MGL we have established our position in the market as a company that can produce reliable and innovative products for the electrical and automotive industry from the entry level through high tech products.”

Meet Power Probe from September 13th to 17th at Automechanika 2022 in Hall 8 at stand J11. Click on the image below to go to our exhibitor webpage.

About MGL International Group

We are a global group of companies operating locally. We manufacture test and measurement products for the electrical and automotive industry, from entry-level through high-tech products.

We have different business units that operate independently, maximizing customer and business dedication. On the one hand, OBM products under our own brands, such as Mastech, KPS, Power Probe and C-Logic. On the other hand, we also offer engineering / manufacturing (ODM) and adaptation/ customization (OEM) services.
