

Power Probe at Sema Show 2022

Oct 11, 2022 – Power Probe, a brand of the MGL International Group, will be at 2022 Sema Show in Upper South Hall, Booth 36051.

The 2022 SEMA Show, held November 1-4 at the Las Vegas Convention Center allows attendees to experience the latest trends in automotive products and custom vehicles.

“The SEMA Show is the perfect venue for Power Probe to showcase the new products to tens of thousands of qualified buyers who are looking for the latest products and trends,” explains Mr. IP, MGL International Group Chairman.

About MGL International Group

We are a global group of companies operating locally. We manufacture test and measurement products for the electrical and automotive industry, from entry-level through high-tech products.

We have different business units that operate independently, maximizing customer and business dedication. On the one hand, OBM products under our own brands, such as Mastech, KPS, Power Probe and C-Logic. On the other hand, we also offer engineering / manufacturing (ODM) and adaptation/ customization (OEM) services.

About Power Probe

Power Probe provides innovative technology, energy, and knowledge solutions for automotive technicians and consumers alike. Electrical tools for automotive technicians:

- Circuit testing and diagnostic tools: tools for fast electrical testing and short circuit tracing. Based on experience, our tools are now simpler and easy to use.
- Energy Storage Tools: Emergency battery jumper pack. Tools for power storage and emergency boosting.
- Tools & accessories: Workspace improvement tools (high power butane torches, wireless temperature probes, rechargeable handheld flashlights, solder kits etc...)

About Sema Show

The SEMA Show is organized by the Specialty Equipment Market Association (SEMA), the trade organization representing the \$44.6 billion automotive aftermarket industry. In addition to organizing the premier automotive trade show in the world, SEMA offers members research, training, education, manufacturing support services, legislative advocacy, group-buying discounts, networking events and more.
