

KPS will be at PowerTest 2023

Feb 9, 2023 – KPS, a brand of the MGL International Group, will be at PowerTest 2023 on March 9th in Orlando Florida Booth 116.

PowerTest is a premier electrical maintenance and safety event. It offers high-powered educational content, networking events, and opportunities to meet with industry experts.

“Joining the largest group of electrical testing professionals in the industry helps us to promote KPS, present our products and meet with contractors, engineers, field service technicians, and more,” explains Mr. IP, MGL International Group Chairman.

Venue: Rosen Shingle Creek, Orlando, Florida. [Click here for the location of our booth.](#)

About MGL International Group

We are a global group of companies operating locally. We manufacture test and measurement products for the electrical and automotive industry, from entry-level through high-tech products.

We have different business units that operate independently, maximizing customer and business dedication. On the one hand, OBM products under our own brands, such as Mastech, KPS, Power Probe and C-Logic. On the other hand, we also offer engineering / manufacturing (ODM) and adaptation/ customization (OEM) services.
